

2020 4th International Conference on Composite Material, Polymer Science

December 06-07, 2020 | Jeju Island, South Korea

Session Description

CMPSE2020 will take place on **December 06-07, 2020** in **Jeju Island, South Korea**. The conference will provide information on recent advances and trends on scientific research, development and manufacturing technology in the area of composite material, polymer science and engineering.

Publication

Papers submitted to CMPSE2020 will be reviewed by technical committees of the conference. All accepted and registered papers will be published in "Key Engineering Materials" [ISSN print 1013-9826 ISSN cd 1662-9809 ISSN web 1662-9795]. And then will be submitted to major database, **EI Compindex, Scopus, Chemical Abstracts Service (CAS), Inspec...**
