

July 15-16, 2023 | Tokyo, Japan

CMPSE 2023

2023 6th International Conference on Composite Material,
Polymer Science and Engineering

Session Description

CMPSE2023 will take place on **July 15-16, 2023** in **Tokyo, Japan**. The conference will provide information on recent advances and trends on scientific research, development and manufacturing technology in the area of composite material, polymer science and engineering. Warmly welcome the experts and scholars engaged in research on related technologies and professional and technical personnel to contribute and participate in the conference.

Publication

Papers submitted to CMPSE2023 will be reviewed by technical committees of the conference. All accepted and registered papers will be published in proceeding. And then will be submitted to major database, EI Compendex, Scopus, Chemical Abstracts Service(CAS), Inspec...

Submission

1. Submit by system:

<https://www.cmpse.org/openconf/openconf.php>.

2. Email: contact@cmpse.org

Note: Please choose a way to submit, do not repeat delivery

Important Dates

Submission Deadline: April 3, 2023

Acceptance Notification: April 10, 2023

Registration Due: April 17, 2023

Conference Dates: July 15-16, 2023

Call for Papers

Topics of interest for submission include, but are not limited to:

1. Composite materials
2. Polymer materials
3. Polymer Chemistry and Biopolymer

More topics, please click: <http://www.cmpse.org/cfp.html>
